Valentine's Cards

The easiest way for the preschool and toddler children to pass out their valentines is to put your child's name only on the **back** of the valentine and leave the envelope blank. We can then help the children put their valentines in the boxes without having to worry about names on the envelopes. This makes it more successful and less frustrating for your children. Thanks! Also, please encourage your child to do as much as they can by themselves. The elementary and kindergarten children enjoy writing their friend's names on the envelopes. **PLEASE DO NOT PUT CANDY OR TREAT ON THE VALENTINES!**

If your child does not attend school on Fridays, they will receive their Valentine's on the first day they return to school. Please see the attached flyer for the number of invitations your child will need to bring in.

Please send your child's Valentine's Day cards no later than **February 9, 2026**

Thank You!

Announcements

- Jackets and Sweaters: Please put your child's name in their jackets and sweaters. It is very confusing for the children and staff when they are trying to find a jacket or sweater and cannot find it because there are no names in them. Please do not send umbrellas to school. The children do not get a chance to use them and they are forgotten and left behind at school.
- Sick Children: Children **MUST** stay home for 24 hours after a fever subsides. If your child is sent home with a fever one day, they cannot return to school the next day. The fever **MUST** be gone for 24 hours without the use of fever-reducing medications, before your child can return to school. This helps ensure a healthy staff as well as healthy children. Thank you for your cooperation.
- If you have taken any pictures at any school events throughout the year, please be sure to send them in so they can be used in our yearbook! Please e-mail any pictures you have to:
