09/02: Aubrey D. 09/10: Aubrey K.
09/07: Lily 09/16: Alexander
09/10: Chloe 09/26: Liam

Toddler Happenings

The toddler class will be learning about fruits and vegetables, new friends, colors, and independent skills.

3-6 Happenings

The 3-6 class will continue learning about grace & courtesy, space, and healthy foods! They have enjoyed being back in the classroom and making new friends!

Elementary Happenings

In September, the elementary class will be studying the continent of Asia, herbivore, carnivore, omnivore, living vs. non-living, the solar system, layers of the sun, and layers of the earth. They hear the 2nd Great Story and work on creation experiments. Math, Phonics, and Grammar lessons will begin. Homework will also begin being sent home.

Classroom Requests

Toddler: Purple Beads, Simple Dot Stickers

Primary: Press & Seal Envelopes

Carpool

The beginning of school always makes carpool run a little slower than usual. Thank you for your patience as we learn the cars and try to get your children into school and back into the car as quickly as possible. One way to help our carpool run smoothly is to **remain in your car** while a staff member gets your child or children out of the car seat or puts them in at the end of the day. Your cooperation is greatly appreciated!

Thank You!

Thank you so much to all our Sunrise Families for all the donations we received over the summer! We are so blessed to receive all the amazing donations!

Announcements

- **Lunch Contents:** Congratulations parents! Your children's lunches have been healthy and delicious! Please make sure your child continues to bring a nutritious lunch to school. If you want your child to have a dessert after lunch, please save it for when they return home.
- All our classrooms study about nutritious foods and what is healthy for our bodies!
- **Lunch Bags & Water Bottles:** Please put your child's **First and Last Name** on their lunchboxes, water bottles, thermos, and other bags.

School T-Shirts

As you know, a T-Shirt was included in your payment of the Enrichment Fee. We were waiting on a shipment of t-shirts to arrive and they have come!

Beginning next week, anyone who has not already received their t-shirt will get them at pick-up! Thank you for your patience!

Illness

As we return to school, it is very common for children to get sick, as they are being introduced to many new people and new germs. We try very hard to keep our classrooms clean; with daily cleaning and sanitation. The best way you can help us is to keep your children home if they are sick! Thank you in advance!
