Toddler Happenings

The toddler class will be learning about wild animals, the fall season, and Thanksgiving.

3-6 Happenings

The 3-6 class will learn about transportation, Thanksgiving, North America, birds, and hand washing.

Elementary Happenings

In November, the elementary class will be continuing their studies of the continent of Asia and the fundamental needs of man. The Upper Elementary will work on diagramming sentences, multiplication checkerboard and square roots. The Lower Elementary will work on the stamp game, math facts, geometric shapes, puncuation and capatlization, and identifying nouns and verbs.

Classroom Requests

Primary: Press & Seal Envelopes, popcorn kernels, scotch tape, scrap paper, gray colored pencils.
Elementary: Various shades of green cardstock

Thanksgiving Tea

Our Annual Thanksgiving Tea is being held on **Wednesday, November 25** from **9-11 AM.** This is a great time for all grandparents and other special guests to visit our school, especially the family members that come to visit for the Thanksgiving holiday. The children love to show their school to their family and friends. Treats are provided by the families; water and lemonade will be served. A link will be sent out with this newsletter to sign up to help with the Thanksgiving Tea and/or donate food!
There is no regular school or before/aftercare on this day.

Thank You!

Woolgar Family for the donuts for the staff!
All families who donated supplies for the students!
All elementary readers!
All field trip drivers!
All Halloween Helpers!
We appreciate all your help and donations!

Announcements

- November 25: The Thanksgiving Tea is a great opporotunity for your child to show off their classroom to special friends and family
  - 9-11
- Christmas Program Announcements
  - We will be holding our Annual Holiday Program in the Dove of the Desert Sanctuary on **December 15th**
  - We need volunteers! We auction art projects created by the students in each classroom at the Winter Program. If you are interested in volunteering for your child's classroom project, please sign-up via the link that will be sent!
- If you have taken any pictures throughout the school year, please share them with us!

Holiday Shopping Boutique

The children will be shopping for holiday gifts for their families at a boutique set up at the school on **Wednesday, December 16th.** Each family will be asked to send in the number of gifts equal to the number of persons for whom the child will be shopping, plus an extra men's gift (we are always short on these). Each child will bring in a quarter to "purchase" each gift they choose. Please send in gifts valued at NO MORE THAN $5.00 each! We do not want to set up a false sense of reality for the children (purchasing a $10.00 gift for a quarter), so please send in reasonably-priced items. They can even be homemade! Your child will not necessarily chose any of the gifts you send. We will also need lots of volunteers to help the children shop and to wrap gifts!
Labeled shopping bags, money envelopes, and gift tags will be handed out at the end of this month with more information and a volunteer sign-up link.
